Geometry
Summer Packet 2026
Delta Math

New students who have NOT used Delta Math before must create an account.

1. Use Google Chrome and go to www.deltamath.com
2. Choose **Students** from the header list or the button in the middle of the screen.
3. Click **REGISTER**
4. Enter your class code: WW53-RB64
5. The course **Geometry** will appear.
6. Register with your TRINITY EMAIL address. You can associate with Google if you choose.
7. There will be multiple small assignment parts posted in this course which you should complete before the first full day of school. Each assignment has a due date on Delta Math.

Students who have used Delta Math have already set up an account. To add a new subject:

1. Use Google Chrome and go to www.deltamath.com and login to your account.
2. You should see a list of your current DeltaMath courses.
3. If you are not currently enrolled in Geometry, click **Add New Class**
4. Enter your class code: WW53-RB64
5. The course **Geometry** will appear.
6. There will be multiple small assignment parts posted in this course which you should complete before the first full day of school. Each assignment has a due date on Delta Math.

Note: The Honors Geometry and regular Geometry courses have the same summer assignment.

Feel free to contact us via email regarding your assignment.
Email: mathdepartment@trinitywildcats.com
We will do our best to respond within 24 hours.

An assessment will be given the first week of school on the concepts covered in this Delta Math assignment.

Have a great summer! See you in August.
